COUNT II

CRUEL AND UNUSUAL PUNISHMENTS INFLICTED

10. On or about December 13-14, 2006, while on the premises of the San Diego Sheriff's Department, Defendant Kerr engaged in the following actions which violated Plaintiff's Constitutional Rights:

11. Defendant Kerr is a large and imposing muscular man and was fully armed. Plaintiff is a female who stands approximately 5 feet, 1 inch and weighs approximately 125 pounds; she is 57 years old and suffers from medical problems.

12. Plaintiff went to the Sheriff's Office to report an alleged crime. She was not expecting nor was she resisting Defendant Kerr's restraining actions.

13. While at the Rancho San Diego Satellite on Jamacha Road, Defendant Kerr did restrain Plaintiff as if she was a criminal suspect, forcing her arms to be torqued behind her back by using excessive and aggressive force.

14. Officer Kerr then strenuously applied upward pressure to her torqued arms. Plaintiff was forced forward over Defendant Kerr's official vehicle with her arms twisted behind her back in handcuffs. Plaintiff requested relief from pain and requested handcuffing in front of her body instead, which Defendant Kerr refused to do, stating official "policy" as the reason.

15. As a result of these actions, Plaintiff suffered, among other things, permanent nerve damage to her arms and cervical neck nerves.

16. Defendant Kerr viciously and maliciously denied and refused to allow Plaintiff to use her emergency asthma inhaler (medication carried in her purse and confiscated by Officer Kerr) even when, in the course of this traumatic and painful event, when she was clearly experiencing shortness of breath and serious breathing difficulties.

17. Officer Kerr denied Plaintiff her medicines during an asthma attack and retained the medication in his possession.

18. When Plaintiff developed severe difficulty breathing while handcuffed behind her back and in severe pain while being transported in Defendant Kerr's vehicle, Defendant Kerr

changed the course of destination for Plaintiff from SD County Mental Health Facility to Sharp Grossmont Hospital Emergency Room.

19. Defendant Kerr and Plaintiff arrived at the entry of SGHER but Defendant Kerr would not allow Plaintiff to use emergency asthma inhaler even at that time. With Plaintiff was still handcuffed behind her back and in respiratory distress, Defendant Kerr proceeded to fill out his paperwork for her 5150, reading his entries out loud and laughing. Plaintiff requested that Defendant Kerr get a nurse to come to the parked vehicle and assist her with emergency respiratory inhaler. Defendant Kerr refused stating to Plaintiff that if she stopped breathing, he would resuscitate her.

20. Plaintiff is a law abiding United States citizen and is entitled to safety and security and freedom of fear and abuse from government.

21. Defendant Kerr as a Deputy Sheriff, and as an individual, egregiously violated Plaintiff's rights.

22. The San Diego County Sheriff's Department is responsible for proper screening, training and supervision of its deputies. Therefore, Defendant SDCSD is also responsible for the abuse and harm caused to Plaintiff.

23. The County of San Diego is responsible for oversight of its various departments, offices and officers. Therefore, Defendant San Diego County is also responsible for the abuse and harm caused to Plaintiff.

24. The allegations contained in each Count are hereby incorporated by reference.

COUNT III

**VIOLATED PRIVILEGES AND IMMUNITIES, DEPRIVE PLAINTIFF
OF LIFE, LIBERTY, PROPERTY WITHOUT DUE PROCESS AND
WITHOUT EQUAL PROTECTION OF THE LAWS**

25. Plaintiff has no criminal history or history of 5150 action. Plaintiff has no criminal record.

26. On or about December 13-14, 2006, while in or around SDCSD vehicle, now stopped at Sharp Grossmont Medical Center Emergency Room entryway, located at 5555 Grossmont Center Drive, La Mesa, CA 91942, Defendant Kerr engaged in the following actions which violated Plaintiff' Constitutional Rights:

27. On or about, December 13, 2006 at approximately 4:25PM PST, Defendant Kerr unlawfully detained Plaintiff outside of the RSD Sheriff's satellite station where Plaintiff drove to provide San Diego Sheriff's Department with further information about a recent crime in which Plaintiff was a victim. Said crime involved unauthorized entry to her home, theft of Plaintiff's personal property, interference with Plaintiff's alarm system and communication devices. Plaintiff had concern these unlawful entries to her home and manipulation of her alarm and communications would or could recur. Plaintiff was afraid for her life and property.

28. Defendant Kerr refused to take information relative to a crime or crimes against Plaintiff which would have served to protect Plaintiff as Plaintiff believed the crime could reoccur and was afraid for her safety.

29. Defendant Kerr made intimidating statements to Plaintiff regarding some of the crime-related information Plaintiff was reporting.

30. Defendant Kerr made apparent threatening implications, accusing Plaintiff of insulting some fine upstanding citizens of the community; those citizens whose safety he was there to protect.

31. Defendant Kerr, in his official capacity, gave the impression that he was threatening Plaintiff by informing her that it was the alleged perpetrators who were under his protection and not Plaintiff. Thereby he denied her equal protection of the law.

32. Defendant Kerr further threatened Plaintiff that there were consequences for her insistence on continuing to seek protection from Defendant SDCSD or by attempts to invoke her rights.

33. On or about December 13 during this encounter by Plaintiff with Defendant Kerr, Plaintiff phoned her then attorney and relayed the threatening statements made to her by Defendant Kerr and further notified the attorney of her location at or near the San Diego Sheriff's Department. The attorney asked to have Defendant Kerr speak with him on the telephone.

34. Attorney for Plaintiff stated that he was Plaintiff's attorney and asked Defendant Kerr to explain his stated threat to place her on an involuntary legal hold (5150 action). Defendant Kerr became angry at this request and told Plaintiff's attorney that he would have the Attorney arrested for obstruction of justice and interfering with the duties of law enforcement if he continued with the discussion.

35. Defendant Kerr then hung up on Plaintiff's attorney. [See Exhibit A hereto, Affidavit of Attorney]

36. Defendant Kerr also told Plaintiff that she did not have his permission to contact her attorney and that she would pay the consequences for taking that action without his expressed permission.

37. Following the termination of this cell phone conversation, Defendant Kerr broke Plaintiff's cell phone.

38. Following the breaking of the cell phone, Defendant Kerr grabbed Plaintiff's wrists and aggressively and painfully placed her in handcuffs with her hands behind her back as a punitive action taken and informed Plaintiff that she was now in his custody and placed on a "5150 legal hold".

39. Defendant Kerr inquired if Plaintiff she was on any medications. Plaintiff stated that she had taken medications for asthma and anxiety.

40. Defendant Kerr knowingly filed a false report to his apparent supervisor by police radio when Plaintiff was taken into custody. Defendant Kerr falsely stated that Plaintiff "flagged him down". Defendant Kerr also knowingly and falsely stated to the San Diego County Sheriff's Department that he did not initiate any contact whatsoever with Plaintiff prior to this encounter. Defendant Kerr did, in fact, follow Plaintiff into the parking lot of the San Diego Sheriff

Department and engaged Plaintiff in discussion there.

41. Defendant Kerr repeatedly threatened Plaintiff while she handcuffed, even while in the backseat of the sheriff department's official vehicle. He said he could throw her on the ground, step on her, and taser her any time he wanted to.

42. From the time Officer Kerr handcuffed Plaintiff, she was worrying about her cherished dog, alone and abandoned, still in her car in an empty parking lot.

43. Defendant Kerr stated to Plaintiff that she was under arrest.

44. Defendant Kerr stated that, by virtue of his "power", she would go to jail.

45. Plaintiff was forced to sit in fear and think about what it will be like for her to become a prisoner and inmate.

46. Plaintiff has no record of criminal or dangerous behavior.

47. Defendant Kerr informed Plaintiff that he was going to see to it that she would be mandatorily placed on heavy psychotropic medications and that he would "see to it" that she would be forced to take such mandatory medications "whether she wanted to take them or not."

48. Further, Defendant Kerr filed a false report to his apparent supervisor when he reported that "the situation got quickly out of control and escalated almost immediately." Quite the contrary; Plaintiff did not behave in a manner consistent with any criteria or requirements of a 5150. Plaintiff behaved as any reasonable person. She, in fact, behaved in a manner consistent with a citizen making a claim to an officer of the law.

49. During the occurrence, while Plaintiff was handcuffed on a 5150 hold, Defendant Kerr informed Plaintiff that she was also under arrest for several criminal offenses and that he would see to it that she would do "jail time", further reiterating that Defendant Kerr intended to "make sure" Plaintiff did "jail time". Defendant Kerr requested confirmation from Plaintiff that she understood that she was under arrest.

50. Plaintiff was the victim of a vicious and malicious attack and was falsely arrested by Defendant Kerr while he had full knowledge that he was violating her Constitutional and Civil Rights.

51. Plaintiff is a law abiding United States citizen and is entitled to safety and security and freedom of fear and abuse from government.

52. Defendant Kerr as a Deputy Sheriff, and as an individual, egregiously violated Plaintiff's rights.

53. The San Diego County Sheriff's Department is responsible for proper screening, training and supervision of its deputies. Therefore, Defendant SDCSD is also responsible for the abuse and harm caused to Plaintiff.

54. The County of San Diego is responsible for oversight of its various departments, offices and officers. Therefore, Defendant San Diego County is also responsible for the abuse and harm caused to Plaintiff.

55. The allegations contained in each Count are incorporated herein by reference.

COUNT IV

RIGHT TO BE SECURE IN PERSONS, HOUSES, PAPERS AND EFFECTS AGAINST UNREASONABLE UNWARRANTED SEARCH & SEIZURE

56. On or about December 13-14, 2006, while on the premises of the San Diego Sheriff's Department, Defendant Kerr engaged in the following actions which violated Plaintiff's Constitutional Rights:

56. Defendant Kerr conducted a search of Plaintiff's vehicle, contents of her purse and contents of closed boxes and other containers with Plaintiff' personal property. There was no reason for Defendant Kerr to perform this search. Defendant Kerr then took into his possession prescription medication from Plaintiff's purse. Defendant Kerr viciously and maliciously

denied and refused to allow Plaintiff to use her asthma inhaler (one of the prescription medications carried in her purse) even when, in the course of this traumatic and painful event when she was clearly experiencing shortness of breath and exhibited breathing difficulties. He retained the medication in his possession.

57. Defendant Kerr looked through personal possessions in her vehicle and belonging to Plaintiff which included evidence relative to the crime she was reporting, which was the reason she went to the Sheriff's Office. Some of that evidence may have been seized and not returned. Plaintiff had no way to make a record of what Defendant Kerr was confiscating.

58. Defendant Kerr denied Plaintiff the right to her necessary personal property including but not limited to her medicines, car and house keys, money, contact information, credit card. Defendant Kerr also denied Plaintiff the right to make a telephone call or to notify someone of the situation and to take care of needed and urgent responsibilities such as care of her dog.

59. Plaintiff believes that Defendant Kerr knew that the information he provided in the paperwork he prepared and submitted to the Department was irrelevant, unsubstantiated, false and/or misleading.

60. Defendant Kerr prepared that document in Plaintiff's presence, in the Sheriff Department's vehicle which was located outside of Sharp Grossmont Hospital while Plaintiff was restrained in handcuffs in the back seat. Defendant Kerr stated to Plaintiff statements he intended to include in the document as if he was notifying her of his intention to color his statements to misrepresent the occurrence. Defendant Kerr's demeanor was unofficial and inappropriate as he was laughing while he was reviewing the document and verbalizing his intentional misstatements.

61. Defendant Kerr removed the behind the back handcuff's from Plaintiff directly outside of the Sharp Grossmont Emergency Room, outside of the patrol vehicle in public display at a very busy time of day. Plaintiff, who thought she was providing information relevant to her claim of breaking and entry and burglary, was now terrified and traumatized and

found herself being exhibited in public as if she were a suspect instead of a victim.

62. Plaintiff has never engaged in any criminal activities and has never been involved with law enforcement in a criminal capacity. Plaintiff has never been a suspect. Plaintiff is and was the victim of crime; The Sharp Grossmont Hospital is located in Plaintiff's neighborhood and Plaintiff was now being humiliatingly displayed in her own community as a criminal in handcuffs.

63. Further, Defendant Kerr accompanied Plaintiff into the Emergency Room, which was filled with approx 70 patients and several staff members. Defendant Kerr situated Plaintiff in the waiting room area and loudly announced that Plaintiff was there because "she needs to spend time in a mental hospital" because she was "mentally disturbed" and was being committed by an officer of the law.

64. Plaintiff responded by asking Defendant Kerr the exact reason Defendant Kerr placed her on a 5150 hold. Defendant Kerr responded by making an announcement in a loud and mocking fashion, stating, "See how bad your mind is....I just went over this with you in the (patrol) vehicle. You can't even track information one minute to the next."

65. Defendant Kerr made further references to what Defendant Kerr relayed as "mental incapacitation." Defendant Kerr refused to state an actual basis for Defendant Kerr's placing Plaintiff on a 5150 hold.

66. Further, Defendant Kerr failed and refused to give the nursing and medical staff on duty at that time any information about Plaintiff other than simply submitting the 5150 document without further communication with the hospital staff. The staff was under the impression that Plaintiff was a criminal brought to the ER for medical problems and a psychiatric hold.

67. Plaintiff is a former: Critical Care Registered Nurse, an Acute Care Hospital Nursing Supervisor and Catastrophic Illness and Injury Case Manager. Defendant Kerr intentionally, maliciously and with full knowledge that he was violating a victim's rights, gave a false impression in his official capacity as an officer of the Sheriff's Department. Defendant violated

Plaintiff's dignity, privacy and was viciously and egregiously slandering and maligning Plaintiff in the presence of her professional peers and in a public place.

68. Plaintiff believed she was under arrest. Plaintiff was informed that she was not under arrest approximately eight hours following her Emergency Room treatment for neck injuries. It wasn't until the hospital evaluation was nearly completed and Plaintiff was approaching the time of discharge from the Emergency Room of Sharp Grossmont Hospital, that she learned that she was not under arrest.

69. On admission to the ER, prior to being seen by a physician, Plaintiff was placed on a mandatory drug and alcohol screening urine test order, apparently standard procedure for a person under arrest.

70. Plaintiff was unable to produce a specimen promptly because she was not permitted to have fluid intake because the staff thought she was prohibited while in custody and plaintiff had nothing to drink for more than six hours.

71. Plaintiff was assigned a male nurse. Plaintiff was advised that if she could not produce a urine specimen in 10 minutes, a male nurse would obtain a specimen of her urine by urinary catheterization without her consent for the catheterization.

72. Plaintiff felt degraded, violated and fearful of urinary catheterization, especially by a male, and inquired as to why she was being subjected to such a procedure.

73. Based on the medical conclusions of the neurological, psychological and cognitive examinations of Plaintiff, the medical staff questioned the reason for a urine drug test.

74. The medical staff then ascertained that Plaintiff was not under arrest. As a result, an order to cancel the urine drug test and pending catheterization procedure was entered into Plaintiff's medical records immediately. The order to cancel was input into Plaintiff's chart in all capital letters and bold print.

75. The 5150 psychiatric legal hold revealed that Plaintiff did not have any of the criteria or elements necessary for a 5150

hold and Plaintiff was given no psychiatric diagnosis and was told that she was free to leave. The medical staff disagreed with and overrode Defendant Kerr's decision to place Plaintiff on a 5150 and Defendant Kerr's decision to detain and confine Plaintiff. Plaintiff's sole hospital diagnosis of said ER admission, was neck injury which she sustained immediately prior to her arrival at the ER.

76. Plaintiff was released from the Emergency Room of SGH at approximately 3:30 a.m. on December 14, 2006, in a hard neck collar and in pain and traumatized by the entire course of events created by Defendant Kerr. Plaintiff was released in the middle of a winter's night without money, contact list, access to her vehicle and home because Defendant Kerr had denied Plaintiff access to her car and house keys, cell phone and her purse, and other vital personal items.

77. Plaintiff is a law abiding United States citizen and is entitled to safety and security and freedom of fear and abuse from government.

78. Defendant Kerr as a Deputy Sheriff, and as an individual, egregiously violated Plaintiff's rights.

79. The San Diego County Sheriff's Department is responsible for proper screening, training and supervision of its deputies. Therefore, Defendant SDCSD is also responsible for the abuse and harm caused to Plaintiff.

80. The County of San Diego is responsible for oversight of its various departments, offices and officers. Therefore, Defendant San Diego County is also responsible for the abuse and harm caused to Plaintiff.

81. The allegations contained in each Count are incorporated by reference as being part of each Count set forth in this Complaint.

82. Plaintiff is a law abiding United States citizen and is entitled to safety and security and freedom of fear and abuse from government.

83. Defendant Kerr as a Deputy Sheriff, and as an individual, egregiously violated Plaintiff's rights.

84. The San Diego County Sheriff's Department is responsible for proper screening, training and supervision of its deputies. Therefore, Defendant SDCSD is also responsible for the abuse and harm caused to Plaintiff.

85. The County of San Diego is responsible for oversight of its various departments, offices and officers. Therefore, Defendant San Diego County is also responsible for the abuse and harm caused to Plaintiff.

The allegations contained in each Count are hereby incorporated by reference.

COUNT V

86. Subsequent to when Plaintiff submitted a formal written complaint and claim to the County of San Diego about violation of her rights by Defendant Kerr, Internal Affairs came to Plaintiff's property without notice.

87. Plaintiff was intimidated and fearful by the unexpected appearance of a Sheriff's SUV at her home, that Defendant Kerr may have returned for purposes of retaliation. Internal Affairs did not identify themselves and did not answer Plaintiff's requests that they identify themselves. Plaintiff did not understand who they were or the reason for their appearance at her home for a period of approximately 45 minutes.

88. Plaintiff is a law abiding United States citizen and is entitled to safety and security and freedom of fear and abuse from government.

89. Defendant Kerr as a Deputy Sheriff, and as an individual, egregiously violated Plaintiff's rights.

G. Consent to Magistrate Judge Jurisdiction - I decline RR

In order to insure the just, speedy and inexpensive determination of Section 1983 Prisoner cases filed in this district, the Court has adopted a case assignment involving direct assignment of these cases to magistrate judges to conduct all proceedings including jury or bench trial and the entry of final judgment on consent of all the parties under 28 U.S.C. § 636(c), thus waiving the right to proceed before a district judge. The parties are free to withhold consent without adverse substantive consequences.

The Court encourages parties to utilize this efficient and expeditious program for case resolution due to the trial judge quality of the magistrate judges and to maximize access to the court system in a district where the criminal case loads severely limits the availability of the district judges for trial of civil cases. Consent to a magistrate judge will likely result in an earlier trial date. If you request that a district judge be designated to decide dispositive motions and try your case, a magistrate judge will nevertheless hear and decide all non-dispositive motions and will hear and issue a recommendation to the district judge as to all dispositive motions.

You may consent to have a magistrate judge conduct any and all further proceedings in this case, including trial, and the entry of final judgment by indicating your consent below. Choose only one of the following:

.. Plaintiff consents to magistrate Plaintiff requests that a district judge jurisdiction as set forth be designated to decide dispositive above matters and trial in this case.
